## Golf & Tennis Outing Sets New Record

History was made at SHORE's 13th Annual Golf and Tennis Outing that was held at the Lake Bluff Golf Club on Friday, July 20th. The event had 84 golfers and two tennis players, netting a profit of nearly \$18,000, which is the highest-netting outing in 13 years. The day was simply gorgeous with a temperature of 80 degrees, sunshine and a little wind. Numerous contests were held including a chance at \$10,000 from Non-Profit Risk Services and a lease of a Jeep Wrangler from Fields Chrysler, Jeep & Dodge in Northfield for a hole-in-one. Unfortunately, no one was lucky enough to win the aforementioned prizes but below is a list of the other contest winners.

**Closest to the Pin Males** – Bob Ramey & Matt Alcorn

**Closest to the Pin Females** – Debora Braun, Associate Executive Director, & Carol Riekse

**Longest Putt Male & Female** – Dave Davies & Laura Hunter

**Lowest Foursome Score (339)** – Board member Michael Grabill, Matt Alcorn, John Lombardo, & Tom Gruger

**Blind Bogey Winners** – Will Banta, Board member Maynard Kagen, Dick Thomas & Ralph Westfall

Guests feasted on a family-style dinner at Bertucci's Steak & Seafood Restaurant in Highwood following the outing. The highlight of the evening was the raffle drawing of 22 packages, which included \$400 cash, golf items, game tickets, restaurant gift certificates and other great items. The Golf Committee was comprised of Board members Charles Cooper, Chairman, Larry Berg, Victor Fernitz, Robin Wright and Honorary Board member Thomas McRaith. All of them need to be commended for their efforts at making this year's event a huge success. SHORE would also like to thank its Board, vendors and donors for supporting the outing. Please see the breakdown of donors and support their businesses whenever possible. Plans for the 2008 outing are already underway so keep an eye out for information and golf Fore SHORE.

## In Memoriam

SHORE is saddened by the loss of long-time friend and supporter Joyce Buehler. Mrs. Buehler passed away on May 24<sup>th</sup> at the age of 79. For over 25 years, she and her husband Arthur have been dedicated to improving the lives of individuals with developmental disabilities served by SHORE. Mrs. Buehler served on SHORE's Board of Directors, was an honorary Board member and served as the Volunteer Manager of the agency's Second Time Around Thrift & Gift Shop in Skokie. She served on many committees and was always willing to help out with the agency's spring benefits and stuffing letters for the Annual Appeal.

In 2001, the Buehler's were featured in area editions of the *Pioneer Press* as Volunteers of the Year for their dedicated service to SHORE. At the 2002 Spring Benefit, they were honored with the Thomas and Lois Lloyd Humanitarian Award for their efforts on behalf of the agency. SHORE Homes East, where their late son Eric resided, was even re-named Buehler House in their honor. Mrs. Buehler was also recognized as a Super Senior Volunteer by the North Shore Senior Center in 2002. An award called the Joyce Buehler Second Time Around Volunteer of the Year was established as a remembrance of the dedication Mrs. Buehler had for the re-sale shop and SHORE in general. She will be missed.

# November 1<sup>st</sup> Kicks Off Annual Appeal

The 2007 Annual Appeal begins November 1st. The Board of Directors has set a goal of \$90,000 for the annual direct mail campaign. Last year's appeal raised in excess of \$88,000. The funds raised in this campaign are used to support the high quality programs and services provided to nearly 400 children and adults with developmental disabilities served by the agency. Please look for your personal letter and contribution envelope and help SHORE in its mission to improve the life of every person its serves.

## Stein Mart, Disney and Second Time Around?

Thanks to volunteers Judy Nelson and Laura Murray, the Second Time Around Thrift & Gift Shop now collaborates with two highly recognizable retail store chains. Judy Nelson brought Stein Mart to our attention with the "Trade In, Trade Up" event hosted by the Deerfield store. The event entices customers to bring in their gently used clothing to be traded in for 20%-off store coupons. Our first event, held in May, proved to be a great success, generating many wonderful clothing items to be sold at the shop. It has also increased awareness about Second Time Around and SHORE. The next event was held September 28th -30th and there was an even bigger turnout! Laura Murray, Disney Store employee and daughter of Board members Meredith and Kevin, brought SHORE to Disney's attention. In August, volunteers from Disney's Vernon Hills store helped the shop with their annual fall season change over. They have also donated many new Disney Store toys and clothing for the shop to sell. **Please patronize these stores to thank them for their assistance!**

## Support SHORE through the United Way

You can support SHORE directly by designating our agency on your campaign form. If you are a federal employee who participates in the Combined Federal Campaign (CFC), then please use the number 23555 for SHORE. SHORE receives significant funding from the United Way of the North Shore (Evanston), Northwest Suburban and North Suburban chapters for all its programs and services. Therefore, your participation in a United Way drive will help SHORE directly or indirectly, so please consider supporting this wonderful organization.

## Car Donations Accepted

SHORE is accepting car donations to benefit the agency. Last fiscal year, which ended on June 30<sup>th</sup>, 12 vehicles were donated and over \$2,700 was realized. The agency even kept one of the donated vehicles to transport persons served. Donors will receive tax credit to the fullest extent of the law with their donation. Arrangements can even be made for pick up of vehicles that no longer run. For more information, please contact the Development Department at (847) 982-2030, ext. 21 or 25.

There was also a dance contest where prizes were awarded. The winners were David and Natara for Best Male and Female Dancer and Michele and William for Best Couple. Everyone had a fun time.

# Annual Meeting

On Wednesday, June 27<sup>th</sup>, SHORE held its 56<sup>th</sup> Annual Meeting at Don's Fishmarket in Skokie. Over 50 people attended the meeting, which featured an annual report on the state of the corporation by Gerald Gulley, Executive Director, and a marketing report by Robin Wright, Vice-President, along with a nominating committee report by Charles Cooper, Board member. *(l.-r.) Harold Berg, Board Member, with the Skokie Mayor George Van Dusen, winner of the Community Leadership Award.*

Harold Berg, Board member, presented George Van Dusen, Mayor of the Village of Skokie, with the Community Leadership Award. Mayor Van Dusen has supported SHORE's programs for many years. His support of open and fair housing and zoning ordinances has made it possible for SHORE's Laura House and Karger House to be welcomed in the community. Also, the Mayor's leadership made it possible for SHORE to open and operate a unique Early Intervention center for children.

Dani Chitman, Program Manager of the Adult Services Program, presented Anna Dogadko with the Personal Achievement Award. Since March 2000, Anna, who resides at the Laura House CILA (Community Integrated Living Arrangement), has been enrolled in SHORE's Adult Services Program. Over the past year, Anna has made great strides in all her goal areas, which include: the ability to identify other individuals in her group by touching them when their name is called, completing a two-step task independently and completing simple

cleaning tasks. Anna has increased her independence with personal hygiene and grooming skills and is able to complete tasks with minimal or no assistance. She previously required assistance with these tasks. At home, Anna assists staff with household chores and looks forward to her daily exercise routine. Congratulations Anna!

*Anna Dogadko proudly displays her Personal Achievement Award.*

Sodexho Food Services at Northwestern University's Allison Hall is the community Employer of the Year. Niki Huels stated, "Grace Knight and the Sodexho staff have created a warm, supportive and inclusive work environment for two SHORE trainees. Under Ms. Knight's leadership, our trainees are valued and respected for their talents and abilities. She sets high standards for her employees with the expectation that they will reach their highest potential and future goals. In addition to receiving a paycheck, our trainees are given added responsibilities and opportunities to grow. In this encouraging environment, our trainees are successful and very proud to be a part of the Sodexho family."

The Customer of the Year Award recognizes a company for the contract work they provide the trainees at SHORE's Joseph Koenig, Sr. Training Center. Over the past five years, Trim-Tex, Inc. has provided valuable work experiences that all the trainees can perform. From assembling boxes to sorting and packaging sanding blocks into quantities of 24 and 100, these jobs keep our trainees busy, productive and happy to be earning a paycheck. Thank you Trim-Tex for this excellent experience and for referring other vendors to SHORE.

*Pictured (l. to r.): John Lanier, Sales Rep. at SHORE's Joseph Koenig, Sr. Training Center, with Bill Dunn, Linda Khalil, Adam Jaworecki and Joe Koenig, Jr. of Trim-Tex, the 2007 Customer of the Year recipient.*

Since 1997, the employees have been bringing their holiday cheer and wrapped presents to the trainees at SHORE's Joseph Koenig, Sr. Training Center during their annual Holiday Party in December. Their participation is truly the highlight of the party and has become a tradition everyone anticipates. *(This award was named in memory of a dear friend and supporter of SHORE.)*

Ann Mizel was the recipient of the first Joyce Buehler Second Time Around Volunteer of the Year Award. Ms. Mizel has volunteered at SHORE's Second Time Around Thrift & Gift Shop for over five years. She is dedicated and volunteers regularly on Mondays to re-stock the shop, Tuesdays as a store clerk, season turnovers and when called to cover a shift. She has

## 2008 Spring Benefit Auction Items

It is never too early to obtain auction items for SHORE's 2008 Spring Benefit, which has been tentatively set for a Saturday in April at the North Shore Country Club in Glenview. The Honoree will be Robin Wright, Vice President of SHORE's Board of Directors. Photographer Scott Williams, son-in-law of SHORE's Executive Director Gerald Gulley, has generously donated three gorgeous pieces of artwork, which are photographs taken by Williams that have been transferred and heat-sealed to canvas. The 36" x 60" photograph shown is called "Eilean Donan," and was taken this year in Highland, Scotland.

Like Athena born from Zeus's head, Williams' photography represents a concept that sprang from his imagination. His images are derived from a single negative that has had one exposure. There are no darkroom tricks, multiple exposures or digital manipulation. Williams resides in Dallas with his wife Niki Gulley, who has also donated an item to

the benefit. Check out Scott and Niki's work at [www.Blind-Squirrel.org](http://www.Blind-Squirrel.org) and [www.nikigulley.com](http://www.nikigulley.com). If you would like to donate an item to the Spring Benefit, please contact the Development Department at (847) 982-2030, ext. 21 or 25.

## Early Intervention Success Story

Emma’s parents and two older sisters moved to the United States from South Africa. Emma was the only American-born person in her family. Her family was frustrated that she did not know how to or want to play with toys; she only threw them. Emma could not sit still or attend to anything. She would constantly run through the house, jumping up and down while flapping her arms, and threw tantrums. Emma’s mother jokingly told her family in South Africa, “American babies were no good.” At age two, Emma started receiving Early Intervention services. She had no language skills or attention span.

Initially, Emma received developmental therapy from a SHORE therapist and speech therapy from an independent therapist once a week. After several sessions with Emma, an occupational therapy evaluation was ordered. The outcome determined Emma had severe sensory integration issues. As a result, an occupational therapist from SHORE joined Emma’s Early Intervention team, providing therapy once a week. The differences between distinguishing sensory integration issues from bad behavior were explained to Emma’s parents. They were also taught strategies to address Emma’s sensory integration issues that would modify her behavior. By Emma’s six-month meeting, she had developed a limited vocabulary, and her attention span and compliance with accomplishing tasks had greatly improved.

Emma continued to benefit from Early Intervention services until they ended at age three. By this time, Emma had made the following improvements: consistent eye contact, saying “hello” and “goodbye,” sitting for three or more minutes and a significantly increased vocabulary. Emma’s parents felt she was a changed child, especially now that her sensory issues were mostly non-existent. Emma recently transitioned into an Early Childhood Special Education Program at Stockton Elementary School in Chicago where her speech-language skills will be further addressed.
