“Driving Towards a Brighter Future” - SHORE’s 2010 Spring Benefit

Pictured above l. to r. – Meridith Murray, Board President, Honoree Charles Cooper and his daughter Marie.

On Saturday, April 17th, SHORE’s 2010 Spring Benefit called “Driving Towards a Brighter Future,” was held at the North Shore Country Club in Glenview. The honoree was Mr. Charles G. Cooper, long-time Board Member and Golf Committee Chairman. Ms. Meridith Murray, Board President, along with Marie Cooper, honoree’s daughter, presented Charles with the Thomas & Lois Lloyd Humanitarian Award, which is named for the agency’s founders. The award recognizes individuals who have shown an outstanding commitment to SHORE’s mission of improving the quality of life for persons with developmental disabilities. Charles is a retired Executive Vice President from Washington National and has dedicated over 27 years of service to SHORE’s Board of Directors.

Over 140 people enjoyed cocktails and hors d’oeuvres, dinner and entertainment by “The Naturals,” which is a local musical group that has two members who have autism. This is the second year in a row that “The Naturals” entertained the crowd who embraced the dance floor showing off their favorite moves. There were Silent and Live Auctions and a game called “Heads or Tails” was played with the grand prize being a 42” Samsung Plasma television. The winner of this contest was Peter Scanlon, husband of Board Member and Master of Ceremony Jennifer Scanlon. Mr. Ronald Bernardi, Manager of Sunset Foods in Northbrook, must be thanked for his spirited running of the contest and live auction.

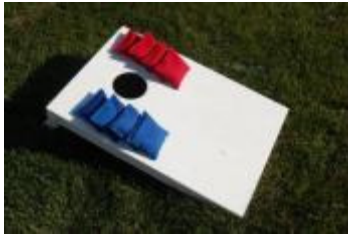

A “Leader Board” was also available for guests who wanted to sponsor an item off of the agency’s program “Wish List.” Each item had a price, i.e. two reclining chairs - \$1,000, and if the item was sponsored then the person’s name went on the Leader Board according to the value of the item. The highest value item put the sponsor at the top of the Leader Board. The top three Leaders were as follows: 1st - Lou and Wendy Belletini, 2nd - The Murray Family & Mike & Ann Roberts and 3rd – Arthur Buehler. SHORE’s programs are thrilled to have many of their wish list items sponsored and are truly grateful to all those who generously contributed to the Leader Board.

The winners of the cash raffle included: 1st & 4th place (\$1,000 & \$250) - Mr. & Mrs. Thomas McRaith, Jr., 2nd place (\$500) - Carl & Alice Lieberman, and 3rd place (\$250) - Mr. William Ogg. All proceeds, over \$57,000, will be used to support SHORE’s programs and services to over 400 children and adults with developmental disabilities.

Special thanks are extended to Natalie Romano, Spring Benefit Chairperson, and the entire committee for their efforts to make the benefit a successful fundraising event. The Committee included: Donna Brown, Arthur Buehler, Beth Karlson, Kevin Katz, Dave Lloyd, Gloria Moore, Sam Pfeffer, Dr. Ramesh Rao, Jennifer Scanlon, Paul Schmidt, Douglas Schwartz and Robin Thomas. Thank You!

“Say Cheese!”

Pizzamania a real treat for attendees

February 16th, which was “Fat Tuesday,” was the day the Kiwanis Club of Evanston hosted “Pizzamania” at Carmen’s Restaurant in Evanston. This annual fundraiser that benefits SHORE has been taking place on Fat Tuesday for well over 15 years. Tying into the Mardi Gras theme, every participant received a beaded necklace upon entering the restaurant compliments of Thomas McRaith, Kiwanis Member and SHORE Honorary Board Member. Over 325 children and adults, who included most of SHORE’s residents, devoured all the thin and stuffed pizza and beverages they could handle. The service was non-stop by members of the Kiwanis Club and volunteers from the Wrestling Team at Evanston Township High School. Everyone had a delightful evening at Carmen’s and the event raised approximately \$5,000 for SHORE.

SHORE would like to thank the following people: Chairmen Rodney Greene and Thomas McRaith for coordinating the event, the Kiwanis Club for hosting, SHORE’s Board for purchasing tickets for the residents to attend free of charge and to the Wrestling Team for their exemplary volunteer service. In addition, all the businesses and individuals listed below who were Pizzamania Ad Mat Sponsors. Please patronize their business or services whenever possible.

Happy Birthday!

SHORE would like to wish Ruth Krock and Ann Silver a Happy Birthday. Ruth turned 90 and is the Grandmother of a Trainee at SHORE Joseph Koenig, Sr. Training Center, and Ann is 85 and the Mother of the late Peggy Fasco, a former resident at the Patricia Lloyd Townhomes. Numerous contributions were received in their honor to SHORE's Endowment Fund. We hope you enjoyed your special birthdays and be blessed with many more.

In Memoriam

SHORE is saddened to report the passing of Paula Cheney, Alvin Klevs, Bortolo Tasca, Arthur Boguse, Leticia Klein, Raymond Prinzing and Virginia Spurry. Paula Cheney volunteered at SHORE Homes West for over eight years. She served as the Community Liaison for the Resident Council, which is a forum for the residents to express their concerns, suggestions, issues and desired activities. The residents loved spending time with Paula especially when she brought her dog to the group home. Mr. Klevs, Mr. Tasca, Mr. Boguse, Mrs. Klein and Mr. Prinzing were parents of persons served by SHORE and long-time supporters of the agency.

Virginia Spurry was a long-time friend as well of SHORE. She volunteered at the agency's re-sale shop Second Time Around Thrift and Gift Shop for over 20 years. Her late husband Charles served on SHORE's Board of Directors for many years and as President from 1977-1985.

Our heartfelt condolences go out to all the families for their loss and we will miss our friends dearly.

Car Donations Accepted

If you are thinking of buying a new car why not donate your old car to SHORE? You will receive tax credit for your donation and SHORE will benefit too. Vehicles that no longer run are also acceptable. For more information please contact the Development Department at (847) 982-2030 ext. 21 or 25.

Kindness Matters

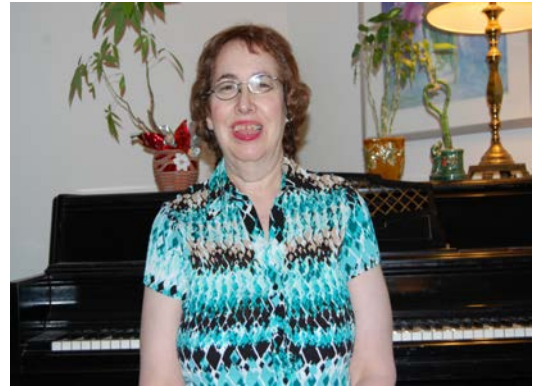

The residents at SHORE Homes West in Skokie have been showing each other more kindness lately and life at the group home has been very peaceful. A “Kindness Chart” was implemented by Felice Fischer, L.C.S.W., SHORE’s Contracted Social Worker, as a way for the residents to keep track of the times when they are kind, respectful, polite, understanding, helpful and supportive to each other. Each week, if the residents meet the target goal on the Kindness Chart then they get a party.

The party has become a real big motivator for the residents because of the healthy lifestyles they are living. They watch their diets and high caloric snacks are not consumed everyday. Fruits, vegetables and exercise are the main reasons so many of the residents have lost weight. Therefore, the special treat offered at the party is what the residents look forward to so they encourage each other to be kind everyday.

Felice Fischer stated, “The Kindness Chart is really helping the residents to be kind and considerate to each other. They look forward to the party and since the program has been working so well at West, it has been implemented at the Buehler House - SHORE Homes East as well.”

Linda, a resident at SHORE Homes West, has made great strides towards living healthy.

A True Success Story

Since March 2000, Linda who is 60 has lived at SHORE Homes West, a Community Living Facility (CLF) in Skokie. The Home provides 24-hour staff supervision, which Linda needs. Staff provides supervision and training that enable the residents to live as independently as possible.

Until recently, Linda was considered obese, which has been a long-term problem for her. The residents began an intense focus on healthy living that comprises of a healthy diet and exercise. Over the past two years, Linda has lost nearly 70 pounds. She has learned to eat healthier foods and participates in a rigorous daily exercise program. In addition to riding an exercise bike and using a treadmill, Linda loves going for walks in the community alone or with her boyfriend. She is an avid bowler and recently learned to play the Wii bowling game, which is a video-active game, and plays often, racking up strike after strike. Linda also takes piano lessons twice a month and participates in a variety of recreational activities in the community.

Linda is extremely pleased with her weight loss and is understandably proud of herself. Her success has prompted the need for a new wardrobe and she is having a good time finding new clothes in smaller sizes. Linda is highly motivated to keep up with her healthy lifestyle and her goal weight. Congratulations Linda!

To note, the healthy living program has been implemented at all of SHORE’s residential programs and has seen tremendous success. All the residents need to be commended for their efforts to stay on track with this goal. Mary Chandler, Program Coordinator at SHORE Homes West, stated, “It has been very rewarding for the entire staff to see Linda and the rest of the resident’s transform into people who are so committed to being healthy.”

SHORE Wins \$5,000 in LEC Wishes Contest!

SHORE is pleased to announce that our agency won \$5,000 in a contest called LEC Wishes. The contest was sponsored by LEC Ltd., an integrated marketing agency based in Chicago.

The contest was a new initiative for LEC, which had voters make a wish and then their wish represented a star in the sky on their website. Voters were also asked to select a non-profit of their choice and the charity with the most wishes would receive a \$5,000 donation from the company. With 1,700 people and over 70 agencies participating in the contest, SHORE ended up winning with 960 wishes. "We congratulate SHORE on their ability to mobilize their supporters and we are thrilled that our donation will help them to further their mission in 2010," said Karen Russell, Vice President of LEC.

"When we heard about the opportunity to earn the LEC donation through our Board Member Jennifer Scanlon, we quickly devised a strategy to spread the word to our network of families, vendors, donors and supporters via our Website, email and social media channels," said Gerald Gulley, SHORE's Executive Director. "The results were astounding - people really made the effort to help SHORE garner the support we needed to win. We are totally excited about winning these valuable funds - they couldn't have come at a better time because all of our programs for children and adults with developmental disabilities are in great need. We thank you LEC Limited!"

The contest money will be used throughout the entire agency to continue to provide the highest quality programs and services to over 400 children and adults with developmental disabilities.
