This year’s Spring Benefit called “Music To Our Ears” took place on Saturday, April 20th at Ravinia Festival in Highland Park. The evening included: a cocktail hour with Hors D’oeuvres and music performed by The Joey Rosin Quartet, dinner, a silent, live and reverse auction and a piano concert by Michael Brown. Mr. Brown is a Juilliard graduate and RSMI alumnus who took first prize at the 2010 Concert Artists Guild Competition, resulting in performances at Carnegie, Avery Fisher and Alice Tully halls, where the New York Times praised his “vividly characterized” and “free-spirited performances.”

There were 133 people in attendance and over $88,000 net was raised with up to an additional $2,500 to come from a matching gift. This event ranks as the second highest netting special event in agency history. We would not have been able to accomplish this without the significant underwriting from the Eugene and Janet Lerner Foundation and the Koenig Family Charitable Foundation. Please see the complete list of event sponsors on page two.

Some highlights from the evening include: $16,100 raised in the reverse auction, which will be used specifically to purchase items for each program division; Cash raffle winners were Amy Gaddini - $1,000 for 1st, Alice Childs - $500 for 2nd, Kevin Katz, Board Member - $250 for 3rd and Mary Von Thaden - $250 for 4th. Mrs. Childs and Mr. Katz were gracious to donate their winnings back to SHORE. Valery Keller of Daniel’s Jewelry in Glenview donated 64 custom earrings and one set of diamond earrings. The earrings were sold for $25 and all sales, $1,625.00, was donated to SHORE. Aneeta Duva was the lucky winner of the diamond earrings. Mr. Ronald Bernardi, Manager of Sunset Foods, ran a spirited live auction that featured a framed print from renowned artist and sculptor Dennis Downes, an Honorary Bat Boy or Girl for the Chicago White Sox, a VIP Experience with the Chicago Bulls, four Chicago Cubs tickets with the opportunity to take pictures on the field after the game, a wine package with over 40 bottles of wine and a private in-home wine tasting with a professional wine advisor. In addition, Timothy Buzard, husband of board member and spring benefit chair Sandra Buzard, was instrumental in securing the sports items for the live and silent auction from all the major Chicago sports teams, which generated major funds for the agency.

Special thanks are extended to the following people: Spring Benefit Committee - Sandra Buzard, Chairperson, Donna Brown, Dr. Amy Daniels, Elizabeth Karlson, Kevin Katz, David Lloyd, Gloria Moore, Natalie Romano and Douglas Schwartz for their time and efforts in planning the event; and Ronald Bernadi, Timothy Buzard, Meridith and Kevin Murray, Debbie Shulruf, Lisa Wright, Hadley Lloyd, Meghan Mackey and Emma and Hannah Karlson for volunteering.

Luncheon for Second Time Around Thrift & Gift Shop Volunteers

On April 27th, a luncheon was held at the SHORE Joseph Koenig, Sr. Training Center in Morton Grove for the over 30 volunteers who work at the agency’s Second Time Around Thrift & Gift Shop in Skokie. The event was the agency’s way of saying “Thank You” to the volunteers for all the time, energy and service they provide to the shop, which the proceeds benefit SHORE. Meridith Murray, Charity Re-Sale Shop Manager, planned the event that featured viewing of SHORE’s agency video, reviewing the shop’s new electronic sales system called POS (Point of Sales), which serves as a cash register, and the volunteers had an opportunity to socialize with each other. Everyone had an enjoyable time.

The shop serves as a major source of revenue for SHORE and is always in need of volunteers. If you are interested in volunteering, call Ms. Murray at (847) 982-2030 ext. 25 or visit the shop’s website at www.shores2ndtime.com.

Super Senior – Gloria Moore

On Thursday, May 23rd, Gloria Galloway Moore, SHORE Board Member, was honored as a “Super Senior” at the North Shore Senior Center’s 40th Annual Super Senior Day. The event recognizes the volunteer service provided by seniors at non-profit organizations throughout the North Shore area. Gloria was amongst 41 people honored and she received a certificate and pin. Her name will be added to the center’s Honor Roll Book, which lists over 2,000 seniors who were awarded “Super Senior” status since 1973.

Since the early 1960’s, Gloria has volunteered for the benefit of SHORE. She was an active member and former president of the Lakewood League, which was a woman’s auxiliary club that was set up for the sole purpose of volunteering and fundraising for SHORE. Gloria has served on SHORE’s Board of Directors since July 1, 1991, and has been on numerous committees including the Spring Benefit Committee. She has also volunteered at the agency’s re-sale shop, Second Time Around Thrift and Gift, for over 15 years.

Thank you Gloria for all your time and support, which helps enhance our mission to improve the quality of life for the children and adults that we serve.

Did You Know?

Debora Braun, SHORE’s Executive Director, was nominated as a new board member for the Illinois Association of Rehabilitation Facilities (IARF) in January 2013. She will attend meetings in Springfield during the year.

IARF is a leading trade association comprised of community based organizations whose missions are to support individuals with disabilities and/or mental illnesses in achieving their maximum independence and live their lives to the fullest in communities throughout Illinois. With over 80 members serving tens of thousands of individuals and families, IARF advances a strong public policy and advocates best practice based on person-centered planning that achieves outcomes. The IARF members provide services to over 900 locations across Illinois and many of the Board Members - like others within the membership of IARF - are among the top 10 employers in their respective counties.

Art Dykstra, Chairman of the Nominating Committee, stated “Our newest members – Debora Braun, Jeff Stauter, Ben Stortz and Kim Zoeller – bring strong insight and experience to the IARF Board. Our board, already highly respected by IARF’s constituency, will be even better positioned to execute our Public Policy Agenda for 2013 with their involvement.”

Congratulations Debora!
IARF Addresses DSP Wages for Direct Care Staff at Recent Legislature Hearings

On May 15th, the Illinois Senate and House Human Services Committees held hearings on the impact of low wages for workers at agencies serving individuals with intellectual and other developmental disabilities in the community. IARF - Illinois Association of Rehabilitation Facilities, provided a written statement and Janet Stover, President & CEO, outlined the importance of DSP’s (Direct Service Professionals) to community-based providers. The message was simple and powerful: “DSP’s are the difference between supporting people in the community and them living in institutions.” IARF is building a case for the state to implement a multi-year plan to increase wages for DSPs.

IARF member agencies were asked to have their DSP’s write an outline of a day in their life and why they make a difference. At SHORE, there are 61 DSP’s. Below are a few quotes that came from SHORE DSP’s.

“As a DSP and working with people with disabilities, I ensure that they are safe and help them in their daily needs. They depend on me and that is why I make a difference in their lives.”

“My typical day starts with seeing the individuals I serve smile when they arrive and I am greeted with a hug. I help them accomplish or complete fine motor tasks like using a spoon to feed themselves. I love what I do and I love my job!”

“Everyday for me is a great day. I look forward to working with clients that depend on staff to advocate for them. It is an honor and privilege for people with disabilities to do normal activities i.e. cook, brush their hair and teeth and go out in the community, etc. It takes a strong individual with a warm large caring heart to make a difference in their lives.”

“My day consists of developing new and different strategies for learning and motivating my clients. Working at SHORE has given me a new perspective. I look forward to coming to work because the clients make me smile.”

Senior’s Program

Did you know that SHORE offers a special program for Senior Citizens? The Seniors Program is a retirement option for people aged 55 or older who want to retire from regular vocational programs. It is a more relaxed and social program, which runs Monday through Friday 9:00 a.m. to 3:00 p.m., and serves seven seniors. The program staff is Joan Gubin, Developmental Trainer, and Lisa Rossi, Assistant Developmental Trainer. They work on stimulating the participant’s senses through a variety of activities i.e. music, arts and crafts, math, games and community outings. Once a month, the group makes fresh bread from scratch and they enjoy the process from mixing all the way through eating. The seniors are very active and the program has received positive feedback from both the participants and many family members.

For more information place call Anni Braverman, Rehabilitation Coordinator, at (847) 581-0200 ext. 33.

Ticket to Work

SHORE Koenig Training Center is an Employment Network (EN) for the Ticket to Work program. The Ticket to Work Program provides most people receiving Social Security benefits (beneficiaries) more choices for receiving employment services. Under this program, the Social Security Administration (SSA) issues tickets to eligible beneficiaries who, in turn, may choose to assign those tickets to an EN of their choice to obtain employment services, vocational rehabilitation services, or other support services necessary to achieve a vocational (work) goal. The EN, if they accept the ticket, will coordinate and provide appropriate services to help the beneficiary find and maintain employment.

If you have a Ticket and you are interested in being considered for assistance with gaining community employment call Anni Braverman, Rehabilitation Coordinator, at (847) 581-0200 ext. 33.

Alyssa Janicki – JVC Volunteer

For the third year in a row, SHORE’s Joseph Koenig, Sr. Training Center has had the opportunity to enlist the help of volunteers from the Jesuit Volunteer Corp (JVC). Since early August, Alyssa Janicki has been working full-time as a Developmental Trainer with a group of 14 trainees at the center. Her primary job responsibility is to supervise the group; train them on packaging and assembly jobs, check their quality and track their payroll. Everyone in Alyssa’s group has an Individual Program Plan and she implements each person’s goals; training them on a variety of skills such as pro-social behavior, functional academics and good work habits, to name a few.

Mary, Greg and Lorraine participate in the Seniors Program.
The mission of the JVC offers women and men an opportunity to work full-time for justice and peace. Jesuit Volunteers are called to the mission of serving the poor directly, working for structural change in the United States, and accompanying people in developing countries. The challenge to Jesuit Volunteers is to integrate Christian faith by working and living among the poor and marginalized, by living simply and in the community with other Jesuit Volunteers, and by examining the causes of social injustice. Since 1956 the JVC has worked in collaboration with Jesuits, whose spirituality the volunteers incorporate in their work, community and prayer life. The JVC offers the volunteers a year or more of experience that will open their minds and hearts to live always conscious of the poor, committed to the Church’s mission of promoting justice in the service of faith.

Alyssa was interested in the JVC Program because she attended a Jesuit school for college and wanted to experience the values that were taught. She also wanted to see if she would be interested in working in the service field as a career.

Alyssa attended Xavier University in Cincinnati, Ohio and earned a Bachelor Degree in German. She is originally from Lansing, Michigan. When asked about her experience at SHORE, Alyssa stated, “It has been a great year and I am glad to have had a challenging experience.” She enjoyed the parties i.e. Summerfest and the Holiday Party in December because the trainees had a lot of fun and were so excited about the events. Alyssa said she likes the individual program plans that each trainee has since they clearly state the goals that they need to accomplish. She has also helped her group come up with creative ways to accomplish their goals, which ultimately empowers them.

When Alyssa completes her year at SHORE, she will have provided nearly 3,000 hours of services to the agency. She plans to continue one more year of service through the JVC Program in Tucson, Arizona as a Social Justice Coordinator at a local church.

SHORE thanks Alyssa for her commitment to the agency and wishes her well in all her future endeavors.
In Memoriam

SHORE is saddened by the recent loss of Michael Kochan, Margaret Tighe and Carolyn Conlon. Michael was a resident at SHORE’s Jean F. Karger CILA (Community Integrated Living Arrangement) in Skokie and passed away from natural causes at the age of 67 on February 20th. Margaret attended the Adult Services Program at the Lois Lloyd Center and passed away on April 15th.

Mrs. Conlon passed away in mid-April. She was a long-time volunteer at the Second Time Around Thrift & Gift Shop. Mrs. Conlon’s son Christopher attended SHORE’s Koenig Training Center for many years before he passed away in 2001. Christopher’s passing did not stop Carolyn from staying involved with SHORE. In fact, Caroline volunteered regularly each week at the shop. She was very friendly and well liked by the other shop volunteers and regular customers. In 2008, SHORE presented Carolyn with the Joyce C. Buehler Volunteer of the Year Award for her outstanding dedication and service to the shop.

As a result of significant gifts made in Carolyn’s memory, her name has been added to the agency’s Endowment Honor Roll Plaque, which is on display at SHORE’s Regenstein Administration Center. This Honor Roll recognizes sizable gifts made to the agency in honor or in memory of someone and is used to ensure the brighter future for the individuals we serve.

We will sincerely miss Michael, Margaret and Carolyn.

Pizzamania Benefits SHORE

February 12th, which was “Fat Tuesday,” the Kiwanis Club of Evanston hosted “Pizzamania” at Giordano’s in Evanston. This year, 255 children and adults enjoyed an evening of unlimited pizza and beverages that were served to them by Kiwanis members and volunteers from the Evanston Township High School Wrestling Team. Guests also received beaded necklaces to celebrate Mardi Gras compliments of Tom McRaithe, Kiwanian and SHORE Honorary Board Member.

Special thanks are extended to the Kiwanis Club for hosting the event, Giordano’s, the Evanston H.S. Wrestling Team for volunteering, the Board for supporting the event, Circle Realty Advisors for allowing guests to park for free at their 500 Davis Street garage, and the individuals and company’s listed that were ad mat sponsors. Please patronize the businesses whenever possible.
**Holiday Spirit**

The month of December had our persons served and staff in high spirits as numerous holiday parties were held at many of SHORE’s facilities. The Lois Lloyd Center had a luncheon and family members of persons served in the Adult Services Program attended. Students and staff from the North Cook Young Adult Academy in Skokie did an amazing job volunteering. Santa Claus and Rudolf the Red-Nosed Reindeer even made a surprise visit to the delight of the crowd. The center also had a door-decorating contest with Group 7 winning 1st place with the door theme of “Hanging Out for the Holidays.”

An open house was held at both SHORE Homes West and Buehler House/SHORE Homes East. Families were asked to bring an appetizer or dessert while SHORE supplied main dishes. For all the holidays, the CILAs (Community Integrated Living Arrangements) get together to enjoy a special dinner. SHORE’s Joseph Koenig, Sr. Center had a pizza party. Volunteers from the DoubleTree Hotel in Skokie brought a gift for everyone with Santa Claus to greet the excited trainees. In addition, Joe Koenig, owner of Trim-Tex, Inc. and a few staff distributed gifts to the nearly 170 trainees.

In lieu of a Staff Appreciation Holiday Party, each SHORE employee received a small monetary gift, which came from the generosity of our Board of Directors, parents and family members of our persons served and Therapy Providers of America. Other tokens of appreciation for staff came in the form of baked goods and other food from family members. Staff was very appreciative of the money and the kindness shown. Thank you to all who contributed to the enjoyment of the holidays.

Staff and persons served from the Adult Services Program gathered for a picture after the play called “Apple Dumpling” was finished. The play was the idea of Dawn Beasley, Developmental Activities Trainer. She along with other program staff spent a great deal of time practicing and making the props with our persons served. It was an entertaining play and enjoyed by everyone in attendance, which included many parents of our persons served.
