

# OUR HERITAGE. OUR FUTURE.

2016 ANNUAL REPORT

## OUR HERITAGE. OUR FUTURE.

*It is more than the theme of our Annual Report. It also represents our appreciation for the lives we have impacted over our 66 years of operating in the community, and our goal to grow to meet the needs of individuals with intellectual and other developmental disabilities.*

---

We are both proud and grateful for all those who make up the tapestry of stories, accomplishments and dreams over the years that has made us who we are. Today, the dreams and goals of the hundreds of individuals we serve will guide and write the stories of our future. Our goals for the future are simple.

### *We will:*

**BE MORE VISIBLE** in the community through more active participation of our individuals in interesting activities and venues offered throughout the communities we serve including: Skokie, Evanston, Morton Grove, Lincolnwood and Chicago.

**BE MORE CREATIVE** in engaging our individuals in deciding how they would like to spend their day by offering more opportunity for choices and options.

**ACHIEVE MORE** through adding therapeutic supports that will encourage every individual to set higher goals towards obtaining their greatest level of independence.

**GROW** to meet the needs of families and individuals with disabilities to live the lives they aspire to live. In Illinois, 1 in every 68 children are diagnosed on the Autism Spectrum. Every day, at the age of 22, these children age out of the school programs with few options for continuing their training and supports. We want to be a resource to these families.

**BE MORE TRANSPARENT** so that our supporters see how effectively we operate and use our valuable resources. We will accomplish this through more open communications with our donors, as well as, by publishing our financial information on our website.

I am grateful and appreciate the dedication and hard work of all of our staff and the wonderful and visionary leadership of our Board of Directors. We are thankful to all of our donors, volunteers and families for 66 great years! Because of you, dreams are accomplished, futures are changed and more people, at every level of ability, have a better quality of life.

In great appreciation,

# DENISE

“Good Morning!” What a warm way to be greeted each day. That phrase is only one task Denise completes daily while attending the Adult Services & Seniors Program at the Lois Lloyd Center in Skokie. This program offers developmental training to nearly 90 adults with moderate to severe/profound intellectual and

other developmental disabilities with an emphasis on adaptive daily living, prevocational skills and community life experiences. Over the course of five years, Denise has made great strides toward building her confidence and independence. She has mastered the layout of her day program’s new home where she now visits eight group rooms to brighten the day of her friends and staff.

Denise likes to be helpful. She assists the Nurse with moving equipment and makes coffee for her peers daily with supervision from the Developmental Activities Trainer. Her charismatic personality demonstrated her talents through acting in a play at the center called, “Super Hero Therapy Group,” and performances in our Fashion Shows. She also likes to dance, exercise, complete art projects, and attend activities in the community.

# MICHAEL

OVER \$172,000 IN  
CONTRACT WORK  
FROM BUSINESSES  
IN THE COMMUNITY.

*When I first met Michael, I would say “Hello” and he would smile shyly. After about three weeks I was talking to someone else and I heard “Hello!” When I turned around it was Michael greeting me with a big smile on his face. Now he greets me all the time.*

**LISA WRIGHT,**  
Director of  
Koenig Center

Work is a real motivator and getting a paycheck is a source of pride for Michael and the over 169 other adults with intellectual and other developmental disabilities who receive vocational training from the Joseph Koenig, Sr. Training Center. Since Michael started at Shore in the fall of 2015, he has embraced the opportunities to learn a variety of job skills from companies that partner with our agency. He is a conscientious worker who is very good at completing tasks that are assigned. Michael keeps his work area clean; adheres to quality control and gathers material for himself and his peers if they are unable to lift. With his cheerful personality it is no wonder that Michael has many friends at the center and enjoys assisting them throughout the day.

Michael is goal driven and has been working diligently at informing his Supervisor whenever he leaves the work area. He assists in the lunchroom and counts money daily. The most improved goal Michael has accomplished in building his independence is obtaining PACE tickets from Shore staff daily in order for him to take public transportation to work. In Michael's free time, he enjoys listening to music, working on art, playing Jenga and visiting his family.

# JOHN

For over 30 years, John has been employed as a Kitchen Utility Worker with Sodexo at Northwestern University's Allison Hall. Last May, John's co-workers celebrated his 30th anniversary with a big cake and some awards. As a Sodexo employee, John works 40 hours per week during the school year and receives benefits. Over the years, staff from Shore's Joseph Koenig, Sr. Training Center and Shore Homes, where John has been living since 1984, have provided important support to help John maintain his long-term employment. With assistance from our Job Coaches, John has increased his work pace; follows a task sheet, makes sure he wears the correct uniform and follows up on any benefits issues.

**49** 49 INDIVIDUALS RECEIVED COMMUNITY EMPLOYMENT EXPERIENCES.

Brian Wernimont, Food Service Manager, is glad to have John as part of his team. He stated, "Not only is John a valuable and dedicated employee, he is just a great person. Always happy, smiling and willing to help out anywhere. We have loved having John as a part of our team here at Northwestern for the past 30 years!"

As for John's future goals, he would like to learn how to take PACE to visit his family, go to Barnes and Noble to buy books, walk more, and attend Bulls and Blackhawks games.

**ALEXANDRA HALILOVIC**  
Director of  
Shore Homes

*Through John's hard work and perseverance, he has grown exponentially and has been a real motivator to his friends.*

# LISA

If you ask Lisa if dreams come true she will answer “Yes” in a heartbeat. She loves her life and the independence gained from support she receives from her husband Kurt, family and Shore. Lisa and Kurt both receive services through our Supported Living Arrangements Program that offers training in budgeting, housekeeping, cooking, shopping, transportation, interpersonal counseling and case management on an as-needed basis.

The guidance Lisa has received throughout the years has led her to secure an accessible condo in the community and she has maintained employment in Customer Service at Panera. She is very active and regularly arranges transportation to work and other points of interest. Lisa’s confidence and self-esteem has grown and she is an advocate for people with developmental disabilities. She motivates others to strive to reach their fullest potential and is often heard at Special Olympics events as a “Golden Messenger” or ambassador for this organization.

Lisa and Kurt enjoy playing golf, participating in Special Olympics sports, going out to eat and traveling to Disney World every year because this is one place where dreams do come true.

**KIRSTEN  
LUNA**  
Director of  
Residential  
Services

*Lisa has grown tremendously since she started at Shore in 2008. She has taken on more responsibilities that have enhanced her level of independence.*

# Early Intervention provides a therapy and playgroups to young children diagnosed with a developmental delay.

*We believe the time at Shore was very beneficial to our daughter's development, especially being able to interact with other children her age.*

The Legacy Society comprises our  
dearest friends and supporters.  
The members are very special to  
Shore Community Services as  
they have decided to include us in  
their estate plans. This gift is the  
highest form of generosity that  
helps to ensure that individuals  
with intellectual and other  
developmental disabilities will  
continue to receive the resources,
