Friendly Phantom Fest

While Downtown Skokie celebrates Trick or Treat, Shore Community Services will host a sensory friendly Trunk or Treat for children and adults with disabilities and their families. Individuals can enjoy treats and Halloween fun in a welcoming setting where they can participate at their own pace. We are now seeking community partners to participate by hosting a trunk or donating toward the event.

Saturday, October 24, 1-3PM

Shore Community Services Parking lot: Lincoln/Main, Skokie (between Niles Township and State Farm)

Tips for Creating a Sensory-Friendly Trunk

- No flashing lights, fog machines, or loud sound effects. Keep background music soft and soothing.
- Ensure physical accessibility and room for mobility devices.
- Provide non-food options such as stickers, bubbles, glow sticks, and small fidget toys.
- Accommodate communication differences: Verbal responses like saying "trick-or-treat" or "thank you" not necessary!
- No scary costumes or decorations.
- Encourage a quiet environment.

Name of Group/Company _____

I will participate by: ○ Decorating a Vehicle and passing out candy/treats ○ Donating $250 to sponsor the event
